

Independent Auditor's Report

To the Members of Svasti Microfinance Private Limited

Report on the Audit of the Financial Statements

Opinion

1. We have audited the accompanying financial statements of Svasti Microfinance Private Limited ('the Company'), which comprise the Balance Sheet as at 31 March 2025, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view, in conformity with the accounting principles generally accepted in India including the Accounting Standards prescribed under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended), of the state of affairs of the Company as at 31 March 2025, and its Loss and its cash flows for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information other than the Financial Statements and Auditor's Report thereon

4. The Company's Board of Directors and Management are responsible for the other information. Other information comprises the information included in the company's Annual report but does not include the Financial statements and our Auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

The Annual Report is not made available to us at the date of this Auditor's report. We have nothing to report in this regard.

Responsibilities of Management for the Financial Statements

5. The accompanying financial statements have been approved by the Company's Board of Directors. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the Financial position, Financial performance and Cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
6. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
7. Those Board of Directors are also responsible for overseeing the Company's Financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
9. As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
 - Materiality is the magnitude of misstatement in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effects of any identified misstatement in the financial statements.
10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
 11. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

12. Based on our audit, we report that the provisions of section 197 read with Schedule V to the Act are not applicable to the Company since the Company is not a public company as defined under section 2(71) of the Act. Accordingly, reporting under section 197(16) is not applicable.
13. As required by the Companies (Auditor's Report) Order, 2020 ('the Order') issued by the Central Government of India in terms of section 143(11) of the Act, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order.
14. As required by section 143(3) of the Act, based on our audit, we report, to the extent applicable, that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the accompanying financial statements;
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

- c. The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this report are in agreement with the books of account;
- d. In our opinion, the aforesaid financial statements comply with the Accounting Standards prescribed under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended);
- e. On the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2025 from being appointed as a director in terms of section 164(2) of the Act.
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to Financial Statements.
- g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - i. the Company, as detailed in note 37 to the financial statements, has disclosed the impact of pending Litigation on its financial position as at 31 March 2025;
 - ii. the Company did not have any Long-term contracts including derivative contracts for which there were any material foreseeable losses as at 31 March 2025;
 - iii. there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended 31 March 2025;
 - iv.
 - a. the management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or securities premium or any other sources or kind of funds) by the Company to or in any person or entities, including foreign entities ('the intermediaries'), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ('the Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf the Ultimate Beneficiaries;
 - b. the management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ('the Funding Parties'), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - c. Based on such audit procedures performed as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the management representations under sub-clauses (a) and (b) above contain any material misstatement.

- v. the preference dividend paid by the Company during the year ended 31 March 2025 in respect of such dividend declared for the previous year is in accordance with section 123 of the Act to the extent it applies to payment of dividend.
- vi. The Company, uses the following software(s) / database management system(s) and based on our examination, controls related to enabling audit trails, recording changes to logs, and changes to audit trail configurations in accordance with the regulations of Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 were in place during the audit period except the following:
 - “Qbrik” which is developed and managed by a third-party software service provider (Qbrik Information Technologies Private Limited), for maintaining the portfolio of Loans against property (LAP).

**Annexure A to the Independent Auditors' Report of even date on the Standalone Financial Statements of
Svasti Microfinance Private Limited:**

In terms of Companies (Auditor's Report) Order 2020 ('the Order'), issued by the Central Government, in terms of section 143(11) of The Companies Act, 2013, we further report, on the matters specified in paragraph 3 and 4 of the said Order, as under: -

1. In respect of Property Plant Equipment and Intangible Assets:

- a. (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment.
- (B) The Company has maintained proper records showing full particulars of intangible assets.
- b. The property, plant and equipment have been physically verified by the management during the year. The reconciliation of the physical assets with the fixed asset register and tagging of assets with asset codes across all the branch offices as on the date of reporting has been performed. In our opinion, the frequency of physical verification program adopted by the Company, is reasonable having regard to the size of the Company and the nature of its assets.
- c. The Company does not own any immovable property (other than properties where the Company is the lessee, and the lease agreements are duly executed in favour of the lessee). Accordingly, reporting under clause 3(i)(c) of the Order is not applicable to the Company.
- d. The Company has not revalued its Property, Plant and Equipment or intangible assets during the year.
- e. According to the information and explanations given to us and on the basis of management representation no proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder. Accordingly, reporting under clause 3(i)(e) of the Order is not applicable to the Company.

2. In respect of its inventories:

- a. The Company is a NBFC-MFI, with the primary object of lending loans to the group and individual customers and does not have any inventory and hence reporting under clause 3(ii)(a) of the order is not applicable to the Company.
- b. Based on the information and explanations provided to us the Company does not have any working capital limits exceeding ₹5 crore that are sanctioned by banks based on the security of current assets. Hence reporting under clause 3(ii)(b) of the order is not applicable to the Company.

3. In respect of loans given, investments, guarantees and security:

The Company has not made any investment in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured to companies, firms, Limited Liability Partnerships (LLPs) or any other parties during the year. Accordingly, reporting under clause 3(iii) of the Order is not applicable to the Company. However, the Company being an NBFC-MFI has granted Secured and unsecured loans to its customers.

Annexure B to the Independent Auditor's Report of even date to the members of Svasti Microfinance Private Limited, on the financial statements for the year ended 31 March 2025

Independent Auditor's Report on the internal financial controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

1. In conjunction with our audit of the financial statements of Svasti Microfinance Private Limited ('the Company') as at and for the year ended 31 March 2025, we have audited the Internal Financial Controls with reference to Financial statements of the Company as at that date.

Responsibilities of Management and Those Charged with Governance for Internal Financial Controls

2. The Company's Board of Directors is responsible for establishing and maintaining Internal Financial Controls based on Internal Control over Financial reporting criteria established by the Company considering the essential components of Internal Control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate Internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility for the Audit of the Internal Financial Controls with Reference to Financial Statements

3. Our responsibility is to express an opinion on the Company's Internal Financial Controls with reference to Financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India ('ICAI') prescribed under Section 143(10) of the Act, to the extent applicable to an audit of Internal Financial Controls with reference to financial statements, and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the Internal Financial Controls with reference to Financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's Internal Financial Controls system over Financial reporting.

Meaning of Internal Financial Controls with Reference to Financial Statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Svasti Microfinance Private Limited
Financial Statements as at and for the year ended March 31, 2025
Notes forming part of Financial Statements as at and for the year ended Mar 31, 2025
Note 1: Summary of Significant Accounting Policies

A. Background

Svasti Microfinance Private Limited ("the Company") (CIN U65922TN1995PTC030293) is a non-deposit taking non-banking finance company having Certificate of Registration number B-07-00625 issued on 18-Aug-2010 by Reserve Bank of India (RBI). The company has been reclassified from NBFC to NBFC-MFI effective 19-Apr-2017 pursuant to the application made for the same with RBI. The Company is having its registered office at 6, First Floor, First Street, Tiger Varadachari Road, Kalakshetra Colony, Besant Nagar, Chennai – 600 090,

The Company's main object is to carry on the business of microfinance, provide finance to the weaker section of society, promote and facilitate financial inclusion in the society by making credit/other financial services easily accessible to people or entities in low-income sections of society.

B. Summary of Significant Accounting Policies

i. Basis of preparation

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India. The Company has prepared these financial statements to comply in material respects with the Accounting Standards notified under Section 133 of the Companies Act, 2013 read together with the Companies (Accounting Standard) Amendment Rules, 2006 (as amended from time to time) to the extent applicable to non-banking finance companies read with circulars and guidelines issued by the Reserve Bank of India (RBI) (collectively referred to as Indian GAAP). The financial statements are prepared on accrual basis under the historical cost convention except for derivative financial instruments which have been measured at fair value.

The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

The Company follows prudential norms for income recognition, asset classification and provisioning as prescribed by Reserve Bank of India vide Master Direction – Reserve Bank of India (Non-Banking Financial Company– Scale Based Regulation) Directions, 2023. The Company is classified under the Middle Layer category.

ii. Use of estimates

The preparation of financial statements in conformity with Indian GAAP requires management to make estimates and assumptions that affect the reported amounts revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

iii. Current / non-current classification of assets / liabilities

The Company has classified all its assets / liabilities into current / non-current portion based on the time frame of 12 months from the date of financial statements. Accordingly, assets/ liabilities expected to be realised/ settled within 12 months from the date of financial statements are classified as current and other assets/ liabilities are classified as non-current.

iv. **Property, Plant and Equipment ("PPE")**

PPE held for use are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment losses.

PPE is recognised when it is probable that future economic benefits associated with the item is expected to flow to the Company and the cost of the item can be measured reliably. PPE is stated at original cost net of tax/duty credits availed, if any, less accumulated depreciation and cumulative impairment, if any. Cost includes professional fees related to the acquisition of PPE.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the statement of profit and loss.

v. **Depreciation on property, plant and equipment**

Depreciation on property, plant and equipment is calculated on straight-line basis using the rates arrived at, based on the useful lives estimated by the management. The identified components are depreciated separately over their useful lives; the remaining components are depreciated over the life of the principal asset. The company has used the following rates to provide depreciation on its property, plant and equipment.

Asset Head	Useful Life
Leasehold Improvement	Over the initial period of the lease or 5 years whichever is appropriate
Computers	5
Furniture and fixtures	10
Office Equipment	5

All fixed assets costing individually upto Rs. 5,000/- is fully depreciated by the Company in the year of its capitalisation. Depreciation on additions is charged proportionately from the date of acquisition / installation.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

vi **Intangible assets**

Intangible assets acquired separately are measured on initial recognition at cost following initial recognition, Intangible assets are carried at cost less accumulated amortization and accumulated impairment loss, if any. Internally generated intangible assets, excluding capitalized development costs, are not capitalized and expenditure is reflected in statement of profit and loss in the year in which the expenditure is incurred.

Intangible assets are amortized on a straight-line basis over the estimated useful economic life. The company uses a rebuttable presumption that the useful life of an intangible asset will not exceed ten years from the date when the asset is available for use. If the persuasive evidence exists to the affect that useful life of an intangible asset exceeds ten years, the company amortizes the intangible asset over the best estimate of its useful life. Such intangible assets and intangible assets not yet available for use are tested for impairment annually, either individually or at the cash-generating unit level. All other intangible assets are assessed for impairment whenever there is an indication that the intangible asset may be impaired.

Svasti Microfinance Private Limited
Financial Statements as at and for the year ended March 31, 2025
Notes forming part of Financial Statements as at and for the year ended Mar 31, 2025

The amortization period and the amortization method are reviewed at least at each financial year end. If the expected useful life of the asset is significantly different from previous estimates, the amortization period is changed accordingly. If there has been a significant change in the expected pattern of economic benefits from the asset, the amortization method is changed to reflect the changed pattern. Such changes are accounted for in accordance with AS 5 Net Profit or Loss for the Period, Prior Period Items and Changes in Accounting Policies.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

Amortisation of the intangible assets (comprising of computer software) carried out based on the estimation of useful life of the asset as follows:

- a) Software purchased from outside – Over 3 years
- b) In-house developed software and Loan Management System– Over 8 years

vii. Impairment

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

viii. Investments

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

On initial recognition investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties. If an investment is acquired, or partly acquired, by the issue of shares or other securities, the acquisition cost is the fair value of the securities issued. If an investment is acquired in exchange for another asset, the acquisition is determined by reference to the fair value of the asset given up or by reference to the fair value of the investment acquired, whichever is more clearly evident.

Current investments are carried in the financial statements at lower of cost and fair value determined on individual investment basis. Long-term investments are carried at cost however for diminution in value is made to recognize a decline other than temporary in the value of the investments.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

Svasti Microfinance Private Limited**Financial Statements as at and for the year ended March 31, 2025****Notes forming part of Financial Statements as at and for the year ended Mar 31, 2025****ix. Asset classification and provisioning norms**

Loans to customers ('Receivable under financing activities') are classified into 'Performing and Non-Performing' assets in terms of the Master Direction – Reserve Bank of India (Non-Banking Financial Company – Scale Based Regulation) Directions, 2023.

The Company makes provision for standard assets and non-performing assets as per. Master Direction – Reserve Bank of India (Non-Banking Financial Company – Scale Based Regulation) Directions, 2023.

Provision for standard assets in excess of the prudential norms, as estimated by the management, is categorized under Contingency provision on loan receivables and managed portfolio exposure. Provisions are recorded on restructured portfolio and other stressed portfolios based on relevant RBI guidelines.

All Loans and Advances are classified as standard, sub-standard, doubtful and loss assets in accordance with the existent Master Direction – Reserve Bank of India (Non-Banking Financial Company – Scale Based Regulation) Directions, 2023

A) Joint liability Group ('JLG') loans

Asset Classification	Arrear Period
Standard Assets	Overdue for less than 90 days
Non-Performing Assets	Overdue for 90 days are more

B) Individual Loans ('Non-Microfinance loans')

Asset Classification	Arrear Period
Standard Assets	Overdue for less than 90 days
Non-Performing Assets	Overdue for 90 days are more
Substandard Assets	Asset which has been classified as non-performing asset for a period not exceeding 18 months
Doubtful Assets	Asset which has been classified as non-performing asset for a period exceeding 18 months

Loss Assets

Loss Assets are asset which has been identified as loss asset by the non-banking financial company or its internal or external auditor or by the Reserve Bank of India during the inspection of the non-banking financial company, to the extent it is not written off by the non-banking financial company; and asset which is adversely affected by a potential threat of non-recoverability due to either erosion in the value of security or non-availability of security or due to any fraudulent act or omission on the part of the borrower.

Loans are provided for as per the management estimates, subject to the minimum provision required as per the Master Direction – Reserve Bank of India (Non-Banking Financial Company – Scale Based Regulation) Directions, 2023

In case of JLG Loan portfolio, as per the current RBI provisioning norms, the aggregate loan provision is maintained higher of a) 1% of the outstanding loan portfolio or b) 50% of the aggregate loan installments which are overdue for more than 90 days and less than 180 days and 100% of the aggregate loan installments which are overdue for 180 days or more.

In case of Individual loan as per the current RBI provisioning norm, the below loan provision is maintained by the company.

Asset Classification		Provisioning
Standard Assets	Overdue for less than 90 days	0.40%
Non-Performing Assets	Overdue for 90 days are more	
Substandard Assets	Asset which has been classified as non-performing asset for a period not exceeding 18 months	10%
Doubtful Assets	Asset which has been classified as non-performing asset for a period exceeding 18 months	100%

x. **Revenue Recognition**

Revenue is recognized to the extent that is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Interest income on loans given are recognized under internal rate of return method with reference to the contractual rate of interest and outstanding principal. Income or any other charges on non-performing assets is recognized only when realized. Any such income recognized before the asset became non-performing and remaining unrealized is reversed.

Revenues from loan documentation received in the nature of processing fees are recognized as income at the time of receipt.

Gains from securitization of portfolio under premium structure are accrued higher of the amortization of the principal value of the portfolio securitized during the year after provision of processing fees and servicing cost and on time proportion basis as per RBI directions.

Income from securitization of portfolio under PAR structure is the excess interest spread, computed as the difference between the interest portion of the cash flows from the underlying pool and the interest on the payout and recognized at the time of receipt.

Income from the commission from managed portfolio, facilitation fee and non-lending business fee is accounted on accrual basis, considering terms of the respective contract.

Interest income on Fixed Deposits with Banks and financial institutions ("FI") is recognized on time proportion basis taking into account the amount outstanding and the rate applicable.

Profit/loss on sale of investments is recognised at the time of actual sale / redemption.

xi. **Employee benefits**

a) **Short-term Employee Benefits:**

Short term employee benefits including salaries, social security contributions, profit sharing and bonuses payable within twelve months after the end of the period in which the employees render the related services and non-monetary benefits (such as medical care) for current employees are estimated and measured on an un-discounted basis. The Policy of the Company does not allow the employees to and carry forward the leave for a period more than one year from the end of the financial year in which credited.

b) **Long-term employee benefits**

Defined Contribution Plan:

All eligible employees of the Company are entitled to receive benefits under the provident fund, a defined contribution plan in which both the employee and the Company contribute monthly at a stipulated percentage of the covered employee's salary. Contributions are made to Employees Provident Fund Organisation in respect of Provident Fund, Pension Fund and Employees Deposit Linked Insurance Scheme at the prescribed rates and are charged to Statement of Profit & Loss at actuals. The Company has no liability for future provident fund benefits other than its annual contribution

Defined Benefit Plan:

The Company provides for gratuity covering eligible employees under which a lumpsum payment is paid to vested employees at retirement, death, incapacitation or termination of employment, of an amount reckoned on the respective employee's salary and his tenor of employment with the Company. The Company accounts for its liability for future gratuity benefits based on actuarial valuation determined at each Balance Sheet date by an Independent Actuary using Projected Unit Credit Method. The Company makes annual contribution to separate schemes managed by Life Insurance Corporation of India. The Company recognises the net obligation of the gratuity plan in the Balance Sheet as an asset or liability, respectively in accordance with Accounting Standard 15, "Employee Benefits". Actuarial gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the Statement of Profit and Loss in the period in which they arise.

xii. Lease (where Company is the lessee)

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognized as expense in the statement of profit and loss on a straight-line basis over the lease term.

xiii. Finance Costs

The Company borrows from Banks and Financial Institutions for the purpose of on-lending to its microfinance clients. The costs associated with these borrowings are classified as Finance Costs. Finance Costs comprise Interest, Processing Fees, stamp duty and other charges directly related to borrowings. Interest is provided on the loan balance as per the terms and conditions of the loan transaction. Processing Fees, stamp duty and other charges are amortized on straight-line basis over the tenure of the loan.

xiv. Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period. Partly paid equity shares are treated as a fraction of an equity share to the extent that they are entitled to participate in dividends relative to a fully paid equity share during the reporting period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

xv. Income Taxes & Deferred Taxes

Tax expense comprises current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act enacted in India and tax laws prevailing in the respective tax jurisdictions where the company operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current income tax relating to items recognized directly in equity is recognized in equity and not in the statement of profit and loss.

Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences of earlier years. Deferred tax is measured based using the tax rates and the tax laws enacted or substantively enacted at the reporting date. Deferred income tax relating to items recognized directly in equity is recognized in equity and not in the statement of profit and loss.

Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

At each reporting date, the company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax asset to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realized.

The carrying amount of deferred tax assets are reviewed at each reporting date. The company writes-down the carrying amount of deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set-off current tax assets against current tax liabilities and the deferred tax assets and deferred taxes relate to the same taxable entity and the same taxation authority.

xvi. Goods and Services Input Tax Credit

Goods and Services tax input credit is recognised for in the books in the period in which the supply of goods or service received is recognised and when there is no uncertainty in availing/utilising the credits.

xvii. Foreign Currency transactions

- a) All foreign currency transactions are recorded at the exchange rate prevailing at the date of transaction.
- b) Foreign currency monetary items are reported using the exchange rate prevailing at the close of financial year.
- c) Change differences arising on the settlement of monetary items or on the restatement of Company's monetary items at rates different from those at which they were initially recorded during the year, or reported in the previous financial statements, are recognized as income or expenses in the year in which they arise

xviii. Provisions and Contingent Liabilities

A provision is recognized when an enterprise has a present obligation as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the reporting date. The estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

Where the company expects some or all of a provision to be reimbursed, for example under an insurance contract, the reimbursement is recognized as a separate asset but only when the reimbursement is virtually certain. The expense relating to any provision is presented in the statement of profit and loss net of any reimbursement.

Svasti Microfinance Private Limited

Financial Statements as at and for the year ended March 31, 2025

Notes forming part of Financial Statements as at and for the year ended Mar 31, 2025

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The Company does not recognise a contingent liability but discloses its existence in the financial statements.

Contingent assets are neither recognized nor disclosed in the financial statements.

xix. Cash and Cash Equivalents

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.

xx. Share issue Expense

Expense incurred in relation to issue of shares are being adjusted against securities premium.

31 Securitization of Portfolio Receivables

During the year, the Company has undertaken transactions involving transfer of loan receivables through Securitisation and Direct Assignment (DA), in accordance with the RBI Master Direction – Securitisation of Standard Assets, 2021 and the RBI Master Direction – Transfer of Loan Exposures, 2021.

Securitisation

The Company participated in 4 (Previous Year: 4) securitisation transactions during the year, involving loans seasoned for the minimum period prescribed by RBI. Each securitisation was executed through a True Sale structure, wherein the Company (as Originator) assigned all rights, title, and interest in the identified pool of receivables to a Special Purpose Vehicle (SPV) / Issuer Trust. Upon assignment, the SPV is deemed to hold full legal and beneficial ownership of the receivables.

Post-transfer, the Company's exposure to the securitised pool is limited to the Credit Enhancement provided (in the form of cash collateral) and any interest retained to meet the Minimum Retention Requirement (MRR). The Company also acts as the Servicer, collecting receivables from borrowers and remitting them to the SPV until the pool is fully repaid or, if applicable, a clean-up call is exercised. A clean-up call may be exercised by the Company when the outstanding principal of the pool is not more than 10% of the original principal.

The difference between the pool value and the purchase consideration received from the SPV represents over-collateralisation or discount, and is accounted for as a credit enhancement in "Other Current Assets" or "Other Non-Current Assets" depending on the expected realisation period. Interest Income from Securitisation comprises the Excess Interest Spread (EIS) receivable after meeting investor payouts, recognised on a time-proportion basis in line with RBI guidelines. While the servicing fee (income) is charged upfront and received. Any portion of gains pertaining to future principal cash flows is deferred and presented as "Interest Income from Securitisation not accrued" under "Other Current Liabilities".

Direct Assignment

The Company also undertook 2 (Previous Year: 8) DA transactions during the year. In a DA transaction, the Company transfers a pool of receivables directly to another regulated financial institution through a True Sale arrangement without the use of an SPV. All rights, title, and interest in the transferred receivables pass to the purchaser, and the Company's continuing involvement is limited to the extent of the retained beneficial economic interest, as contractually agreed (10% in the current year and previous year).

The purchase consideration for DA transactions is based on the agreed pool value, net of any applicable discount. Income from DA transactions primarily comprises EIS, recognised over the servicing period.
